Scotsman Guide Launches Digital Magazines

Mortgage professionals can view digital versions of the magazine's commercial and residential editions

Bothell, WA—February 4, 2009—*Scotsman Guide*, the leading resource for mortgage originators, announces the launch of its digital magazines, vivid replicas of the national mortgage magazine's commercial and residential print editions.

Like *Scotsman Guide's* print magazines, the digital magazines are available for free to mortgage brokers nationwide. Unlike the print magazines, for which each U.S. mortgage office is allowed only one free subscription, all individual brokers can receive a free subscription to the digital magazines regardless of their office's print-subscription status.

Mortgage professionals can subscribe to the digital magazines at www.scotsmanguide.com/digitalsubscribe.

The digital magazines use Texterity's online-publishing platform and can be viewed in any Web browser, in addition to the Apple iPhone and iPod touch. Scotsman Guide's commercial digital magazine can be viewed at www.sg-comdigital.com; the residential digital magazine can be seen at www.sg-resdigital.com. Archived digital magazines also are available.

Founded in 1984, Scotsman Publishing Inc. publishes a residential edition and a commercial edition of *Scotsman Guide*, in addition to *Scotsman Guide* Loan Post and other platforms at scotsmanguide.com. Each month, the magazines reach tens of thousands of subscribers nationwide. *Scotsman Guide* is the leading resource for mortgage originators, connecting mortgage brokers with wholesale lenders.
